Reference

Scan the QR code to view the property

If an applicant is self-employed, an application must be accompanied by audited accounts for the previous three years together with the current year's management or unaudited accounts, satisfactorily certified by an accountant acceptable to the Bank, together with three years tax returns. The Bank will usually consider lending up to 65% of the valuation of the property, or purchase price whichever is lower.

Security

The security will be either a mortgage over the property or if the property is owned by a company (which the Bank requires to be managed by a specialist management company from its approved list) the Bank will require a charge over the shares of the company along with a mortgage registered on the property. The Bank will recommend an assignment over a suitable life policy. It will also be a condition of the loan that the property is insured for its full replacement value and the Bank's interest noted thereon.

Valuation of property

Approval of any loan application will depend upon the Bank's valuers providing a favourable report on the property, the cost of which will be borne by the applicant.

Procedure

Once an application has been approved by the Bank and the terms and conditions have been offered and accepted, all legal documents will be prepared by the Bank's lawyers with all legal fees to be borne by the applicant.
